

Bioventus Inc.
Delegation of Authority

The following documents the Company's requirements relative to the delegation of signature authority for specified business transactions and third-party commitments entered into on behalf of Bioventus Inc. and its subsidiaries. It is not intended to document or control all internal processes required for the completion of the referenced transactions or commitments. All such required reviews (e.g., legal contract review, finance approval for contract pricing, etc.) must be obtained before making any such external commitment on behalf of Bioventus.
