

2. Your Table of Cover

Here are details of the maximum amount you and anyone covered on your policy can claim in each policy year. The benefit allowances shown are for each person covered on the policy. This means everyone covered on the policy can claim up to these amounts. Your membership certificate will show your level of cover. You can find full details of what is and isn't covered in Section 3 of this policy guide. You can use your My Bupa account to see your benefit allowances, and what you have left to claim before your policy renews.
